Take me out of this damn cold misery.  
I can figure my way out this mystery.  
She tells me, he's unhealthy.  
He's like a chemical addiction.  
She said it feels like the walls are closing in.  
She's looking down and the floor starts opening.  
She tells me, he's unhealthy.  
He's like a chemical.  
I'll be your trap door baby.  
You can fall through me.  
Under the wood floors.  
Hide you where no one can see.  
I'm what you ask for when you need a way out.  
I'll be your escape route  
I'll be your trap door (I'll be your trap door).  
Oh oh oh oh, oh oh oh oh, oh oh oh oh.  
I'll be your trap door.  
Oh oh oh oh, oh oh oh oh, oh oh oh oh.  
I'll be your trap door.  
You wasted too much time.  
I'm here with what you need.  
No more waiting in line,  
Just come up front with me.  
The lights, the sound, underground.  
There's a million other reasons if you look around you.  
Before you go back to him and play the penalty.  
Let me show you some things you thought you'd never  
see.  
The lights, the sound, underground.  
There's a million other reasons if you look around you.  
You can fall through me.  
Under the wood floors.  
Hide you where no one can see.  
I'm what you ask for when you need a way out.  
I'll be your escape route  
I'll be your trap door (I'll be your trap door).  
Oh oh oh oh, oh oh oh oh, oh oh oh oh.  
I'll be your trap door.  
Oh oh oh oh, oh oh oh oh, oh oh oh oh.  
I'll be your trap door.  
Me and you, just stop and hide out.

Look for me, I'll be your way out.  
Forget your life, your fears, now they're here.  
Just run away from everything yeah.  
I'll be your trap door baby.  
You can fall through me.  
Under the wood floors.  
Hide you where no one can see.  
I'm what you ask for when you need a way out.  
I'll be your escape route  
I'll be your trap door.  
I'll be your trap door baby.  
You can fall through me.  
Under the wood floors.  
Hide you where no one can see.  
I'm what you ask for when you need a way out.  
I'll be your escape route  
I'll be your trap door.  
Oh oh oh oh, oh oh oh oh, oh oh oh oh.  
Oh oh oh oh, oh oh oh oh, oh oh oh oh.
