Yeahhh, oh hoh, yeah.
How many times I gotta tell you?
Girl, I'm yours.
Lets get one thing straight, girl I'm yours.
You got me.
Specially when I talk to my boys.
You got me.
You're my best friend and girl you know I'm yours.
You got me.
That's why they all mad at me.
Cuz girl they know you got me, got me.
When I feel it's the perfect night to hit the club,
You're stressing.
You argue with me while I'm on the phone,
And I'm texting.
Even though it was for your surprise,
And your present.
You thought that I was cheating, (oh no no)
Girl I got no reason. (yeah)
You call me when I'm hanging with my boys,
With questions (what the hell girl).
Asking whos that girl,
Saying that's my friend,
On MySpace (she aint nobody).
Did you really think that I invited her to come
To my place (that's crazy)
You swear that I've been cheating,
Girl I got no reason.
Lets get one thing straight, girl I'm yours.
You got me. (you got me, ohh)
Specially when I talk to my boys.
You got me.
You're my best friend and girl you know I'm yours.
You got me.
That's why they all mad at me.
Cuz girl they know you got me, got me.
I know it's hard for you
You got me.
When I know youve been wronged by other dudes.
But you got me (yeahhh)
I'm just trying to let you know I'm here.

Cuz you got me.
That's why they all mad at me.
Cuz girl they know you got me, got me.
Girl I know the things that youve done,
When I'm away.
And I know that youve been checking my e-mails,
But it's okay.
I told you I aint got nothing to hide,
From you babe.
I told you I'm not cheating,
Girl I got no reason (yeah).
I'm just trying to be the man for you,
And you got me (you got me).
And I wont hurt you like them other dudes,
But you might think (you might think)
That I want to
And I want someone else.
You're dead wrong (nah man).
I told you I'm not cheating,
Girl I got no reason (oh oh oh oh whoa).
Lets get one thing straight, girl I'm yours. (I'm yours)
You got me.
Specially when I talk to my boys.
You got me.
You're my best friend and girl you know I'm yours.
You got me.
That's why they all mad at me, at me. (whoa oh)
Cuz girl they know you got me, got me.
I know it's hard for you
You got me.
When I know youve been wronged by other dudes.
But you got me
I'm just trying to let you know I'm here.
Cuz you got me.
That's why they all mad at me.
Cuz girl they know you got me, got me.
(Yeah)
How many times I gotta tell you?
Girl, I'm yours. (I'm yours)
I tell everybody. I don't care.
To my boys (to my boys).
Nobody else but you babe, you know that.
You know I'm yours (no no no no)
(Listen) that's why they all mad at me (listen)
Cuz girl they know you got me, got me.
Lets get one thing straight, girl I'm yours. (I'm yours)
You got me. (you got me)
Specially when I talk to my boys.
You got me.
You're my best friend and girl you know I'm yours.
You got me.

That's why they all mad at me (mad at me).
Cuz girl they know you got me, got me.
I know it's hard for you
You got me.
When I know youve been wronged by other dudes.
But you got me (yeahhh)
I'm just trying to let you know I'm here.
Cuz you got me.
That's why they all mad at me.
Cuz girl they know you got me, got me.
