Ooooooooooh....Poncho man
Why did you she'd your clothes?
Ooooooooooh....Poncho man
Put back on your robes

Running down the street under the noon sun
Why did you do it? Did you think it would be fun?
Wearing nothing but a poncho - we can see your bare
ass
It doesn't give you elegance, style or class

Ooooooooooh....Poncho man
Your soul to the world you show
Ooooooooooh....Poncho man
At least wear a sombrero

Red, green, yellow, blue, pink and indigo
Wearing all the colours of a freaked out rainbow

Woven out of wool so you don't catch cold
But doesn't it itch? Cos that's what I was told.

Ooooooooooh....Poncho man
They rugby tackled you to the ground
Ooooooooooh....Poncho man
Indecent exposure, guilty you're found

You think you're the head honcho
With your dirty poncho
People boo and hiss
You just laugh and p***

Ooooooooooh....Poncho man
I think you look stupid too
Ooooooooooh....Poncho man
But I wish I was just like you
