there's nothing left for me of days that used to be  
there's just a memory among my souvenirs

some letters tied in blue, a photograph or two  
i see a rose from you among my souvenirs

a few more tokens rest within my treasure chest  
and though they do their best to give me consolation

i count them all apart and as the teardrops start  
i find a broken heart among my souvenirs

i count them all apart and as the teardrops start  
i find a broken heart among my souvenirs
