i got the feelin i'm fallin  
like a star up in the blue  
like i was fallin off niagra  
in a paddle boat canoe  
i got the feelin i'm a fallin  
and it's all because of you

like i was walkin on a tight rope  
swingin in the breeze  
and tho i tried to keep my balance  
when i weaken in my knees  
i got the feelin i'm a fallin  
lover, help me please

like a leaf falls from the branch  
like a rock from an avalanche  
like the rain on a stormy day  
i never thought i'd fall this way

i thought that love could never touch me  
yeah, i was ridin high  
and then my ivory tower toppled  
and i tumbled from the sky  
i got the feelin that i'm fallin  
and you're the reason why

like a life that he married for  
like the walls of jericho  
like delilah's holy town  
and samson tore it down

i thought that love could never touch me  
yeah, i was ridin high  
and then my ivory tower toppled  
and i tumbled from the sky  
i got the feelin that i'm fallin  
and you're the reason why  
repeat last line 4 times to fade
