if i didn't care more than words can say
if i didn't care would i feel this way
if this isn't love then why do i thrill
and what makes my head go 'round and 'round
while my heart stands still

if i didn't care would it be the same
would my ev'ry prayer begin and end with just your
name
and would i be sure that this is love beyond compare
would all this be true if i didn't care for you

monologue if i didn't care honey child, mo' than words
can say. if i didn't
care baby, would i feel this way darlin' if this isn't love,
then why do i thrill so
much what is it that makes my head go 'round and
'round while my heart just stands
still so much

if i didn't care would it be the same
would my ev'ry prayer begin and end with just your
name
and would i be sure that this is love beyond compare
would all this be true if i didn't care for you
