they said your cheating heart will make me cry
and like a fool i gave it a try
i should've listened when they told me so
many many tears ago

but i could not believe the things they said
because my heart over ruled my head
i should've listened when they told me so
many many tears ago

i laughed out loud when they told me
that you had someone else
but your cheating heart has shown me
that i was foolin myself

i know it's too late for a brand new start
for i have cried you out of my heart
i should've listened when they told me so
many many tears ago

i laughed out loud when they told me
that you had someone else
but your cheating heart has shown me
that i was foolin myself

i know it's too late for a brand new start
for i have cried you out of my heart
i should've listened when they told me so
i should've listened when they told me so
many many tears ago
