A man named Bumble said he was so hungry
Him had that craving for something under the sea
I told him I had chicken franks
I told him I had Charlie
He smiled and said to me "I'll have some
Bumblebee"

One plus one is three
A riddle, a riddle to me
I see an old man pee up against a tree
He peed so fast he made me laugh "kee kee kee
kee"
What suited him up and stuff was his belly
