Arise from holiness  
As I have lost the will to forgive  
Passive throughout the centuries  
The source of hatred shalt be my gift

Lay Thy hands in mine  
The secret that Thou hidest, my enemy divine  
Hath focussed cosmic wrath upon the grace of Thine

Thy empire  
It falls by the ignorance of Thy word  
No longer to be heard on Earth  
The tyrant still to be unseen  
Disguising her impaling destiny  
Lay her hands in mine  
My enemy divine

Blood of mine flows in her body  
Her soul is as clean as Thine  
Has been in my eyes before  
Thy truth arose from a different mind  
I swear these words on holy Earth  
"Die Verachtung des Lebens erzwingt den Sinn  
Bis in die Ewigkeit"

Where else if not of hatred shalt these eternal powers  
be granted  
That enforce me to exist, destroying thy creation  
Against all that has been, remaining contradiction  
May a goddess rise from my blood  
All to feel that I have lost

For she who knows my destiny  
Which they won't understand  
Has seen the entity without disguise  
I await the day when she'll rise  
From the ruins of my shattered soul  
Although the feelings that we share  
I'm yearning for an end  
Thus, death can't take my hand  
Leave rebellion behind  
My enemy divine
