And rag on they dicks  
But we don't fell shit

(Mercedes)  
Who suck dick?  
Who eat pussy?

(Mercedes)  
Most of you niggas be talking shit like you don't eat  
pussy  
And won't pay yo bitch  
Till we reel 'em in got 'em down  
Then they try to stay there till they almost drown  
Hold up now where my ladies at who got their mind  
right  
Hard working bitches that's about their riches  
Fuck them dead beat niggas with the same old song  
Give em 15 minute hard on's we like it long and strong  
Or stay the fuck up off of us  
Cause we can keep it in longer than y'all can keep it up  
Lil' dick still pissin' on your nuts make it bad for real  
thugs  
Who be tearin' up the guts  
Mercedes is the name and I serve them well  
Got the best in the business  
A platium V-12

Wanna ride it nigga?  
You can't afford to buy it nigga  
Cost your whole life savings just to try it nigga  
Y'all ain't shit

(Chorus)  
(Mercedes) (over Mia X)  
Where they at where they at?

(Mia X)  
All ya niggas ain't shit  
They talk a lot of shit  
And rag on they dicks  
But we don't fell shit  
Them niggas wanna holla  
But all we want is dollas  
Can play us false bitch  
Cause you ain't about shit

(Mercedes)  
Y'all ain't shit  
Wanna call us hoes and sluts and piegons  
Yet your out here trickin' and lickin' on yo lover  
And still livin' wit you mother and beatin' yo dick  
Why you lookin' at my CD cover  
What up? Get up? Mama Mia put it down  
I'm Mercedes come to stay on the ground  
And I got this  
Not your average bitch my shit's on balance  
Pretty face, nice ass and talent  
Never ment to challenge  
No Limit's baby girl  
Detorit's finest  
Ghetto fablous your hiness  
Thug queen and even in your dreams I'm hittin' for

Ya heard me?  
Bendin' over like 7:30

In your face watch me work it  
If I could only find a nigga that's worth it  
Cause they ain't shit  
Uhhh  
Now all the ladies say it loud

Chorus x2

(Mercedes)  
Monkey on that dick
