You urban princess cared about me my family and
business you needed a lover but i was so much busy to
bother and afterwards and afterwards a
damndamndamn ooh baby searching for summer after
fall and i'm not alone ooh baby spring's on left winter
on its own and i'm not alone out of sight but not of you
liked my bedroom liked all my shoes my tv my
plectrum you called me honey but i was so much
selfish for loving but ooh baby smile once again and
score your goal and i'm not alone and ooh baby if i am
a dog then you're a bone and i'm not alone out of sight
but not of mind
