Winter 95 we were all with black shoes
or maybe all without
Running really really fast through the streets
running up and down
Then a gang with a knife in the hand
and a knife well tattooed on the top of their backs
They were many Iâ'd say 25

And then they moved around toddling like speedy
spiders
And thereâ's something you should know

Winter 95 they were wearing all red shoes
Iâ'm pretty sure about
that the town was Aberdeen
or maybe out of town
One of them had a gun in the hand
Long hair short hair some were wearing a hat
They were girls and they were pretty white

And then they moved around toddling like speedy
spiders
And thereâ's something you should know

Iâ'll be missing you
when the war is over
Iâ'll be missing you
when the knives are buried underground
Iâ'll say I love you I love you I love you I love you to
death

Summer 99 we were dancing barefoot
Barefoot on the ground
We were drinking just Lemonade
and now Iâ'm coming clean
One girl with a band on the head
one gun one shot sheâ's the head of the band
She said darling we ainâ't gonna fight

And then they moved around toddling like speedy
spiders
And then they moved around toddling like speedy

spiders and
I'll say I love you I love you I love you I love you
and I love you I love you I love you I love you
and I love you I love you You love me I love you
I love you I love you to death
