Have you seen her eyes
Cold as death
You wanna touch her body, and
Kiss the flesh
I know you can't resist
Just after a little kiss
Touch her golden hair
Her tongue everywhere

Scream like an animal, you wanna come again
The sweat flows and the
Ending descnd
She'll bring you pleasure
All night long
Enjoy while you can
'Cause soon you are gone

Torture queen, live for pain
For away from sanity
In this horrible game

Sadistic bitch
From the sky she fell
Abnormal hunger, she'll take
You to hell

Forbidden pleasure

Now it's time, You can't get away
The end of joy, time to pay
She has a secret, she'll take
Your treasure
Nail it ot the wall, forbidden pleasure

Forbidden pleasure

Scream like an animal, you wanna come again
The sweat flows and the
Ending descnd
She'll bring you pleasure
All night long
Enjoy while you can

'Cause soon you are gone

Have you seen her eyes cold as death
You wanna touch her body
And kiss the flesh
I know you can't resist
Just after a little kiss
Touch her golden hair
Her tongue everywhere

Torture queen, live for pain
For away from sanity
In this horrible game

She has a secret, she'll take
Your pleasure
Nail it to the wall
Forbidden pleasure
