Crystal eyes drowned in hate  
Forget the past a heathens fate  
On the floor a naked whore  
She's been waiting her body is cold

Skin is white eyes so black  
Always hungry  
She's been waiting so long  
Now she's angry  
Full-moon, tonight's the night  
Master has come  
Demon love beautiful pain  
Reality is gone

Just listen to my voice  
You have your own choice  
For those who live by crime  
You must pay the price

Darkness shall always be  
Forever is pain  
Hide in the light  
Or in Christ's domain

Do you really know what she wants  
Maybe she needs sexual pain  
Dominate make up your mind  
Forever trapped in humanity's game

Skin is white eyes so black  
Always hungry  
She's been waiting so long  
Now she's angry  
Full-moon, tonight's the night  
Master has come  
Demon love beautiful pain  
Reality is gone

Suffering since birth  
Lifeflame burns fast  
When lifecircle has broken  
Life ends at last

Lifeflame!

Skin is white eyes so black  
Always hungry  
She's been waiting so long  
Now she's angry  
Full-moon, tonight's the night  
Master has come  
Demon love beautiful pain  
Reality is gone

Not far from death  
Everything feels so strange  
The things you should have done  
It's all too late to change

Suffering since birth  
Lifeflame burns fast  
When lifecircle has broken  
Life ends at last

Lifeflame!

Skin is white eyes so black  
Always hungry  
She's been waiting so long  
Now she's angry  
Full-moon, tonight's the night  
Master has come  
Demon love beautiful pain  
Reality is gone
