I've been meaning to tell you  
Something that's on my mind  
I've been watching over you baby  
And I think now's the time  
A fast-talking mouth can only get you  
Only get you so far  
What goes down when it all comes around  
Baby I think you're a star

Is it all right  
Is it something you'd like  
If we do it all night  
Is it something you'd fight

Chorus:  
I got one thing in my sight  
I'm in two minds, I can't decide  
I won't let go, make a wish three times  
She's Miss Sophisticated

You want respect for what you think  
You don't expect not to give  
I won't push you, tell you how to live  
You're Miss Sophisticated

Anybody can see you  
For the clothes you wear so well  
Your long brown hair shining in the sun  
I admit I'm under your spell  
I'm beginning to 'preciate that  
It's only a matter of time  
I've been hooked by your sexy look  
Baby you better be mine

Is it all right  
Is it something you'd like  
If we do it all night  
Is it something you'd fight

(Chorus)

Is it all right  
Is it something you'd like  
If we do it all night  
Is it something you'd fight  
Are you feeling confined  
Only a matter of time  
I will give you what's mine to give

(Chorus)

Miss Sophisticated  
Feeling underrated  
Never complicated  
She is such a lady  
She is so divine  
Leave you feeling high  
She just wants you to be happy  
She don't waste your time telling lies  
She don't twist your mind  
She's one of a kind
