Sitting in my room.  
With tears wiling in my eyes.  
What did you expect.  
Tell me how to feel inside.

It was once, 1 2 3.  
Daddy bounced you on his knee.  
Ain't it funny what may seem.  
The perfect world to be a dream.

Pain is all around.  
Can't believe the sound.  
Calling to the crowd  
Is it over, over.  
Angels all around.  
You're not to be found.  
Falling to the ground.  
Now it's over, over.

Never could believe.  
It would end this way.  
Had it all in life.  
Threw it all away.  
Sorry, I'm so sorry.  
Now answer to the rhyme.  
'Cos there is no end.  
So giving you this song.  
And to you say sorry.  
I'm so sorry.

Late night after one.  
I got a call you want some fun.  
Knew exactly what to do.  
Private party just for two.

Things were simple A B C.  
Had my baby, she had me.  
The day you left we all behind.

Angels is all around.  
Can't believe the sound.

Calling to the crowd  
Is it over, over.  
Angels all come down.  
You're not to be found.  
Falling to the ground.  
Now it's over, over.

Never could believe.  
It would end this way.  
Had it all in life.  
Threw it all away.  
Sorry, I'm so sorry.  
Now answer to the rhyme.  
'Cos there is no end.  
So giving you this song.  
And to you say sorry.  
I'm so sorry.

You know there ain't a day goes by.  
I don't sit and wonder why.  
Cannot believe I'll only see you in my dreams.  
Why wouldn't you tell me.  
What was on your mind.  
Why wouldn't you tell me girl.  
That every night you cried.  
Maybe you though.  
You knew what I could handle.  
But now there's blood girl.  
It's like scandal.  
I wish you'd let me reach ya.  
'Cos now I need ya.  
I would have been there babe.  
And never let it beat it.

Could it have been so bad and hurt so much.  
You were forced to leave and to made no fuss.  
I don't know, I love you.  
From where I was girl.  
Your life was magic.  
So how'd this life end up so tragic.  
I know that in my heart.  
I know I gave you all I could.  
But I guess I never knew you.  
You were misunderstood.  
How could you do it.  
You just quit on me.  
How could you do this girl.  
Your death has ruined me.

Never could believe.  
It would end this way.

Had it all in life.  
Threw it all away.  
Sorry, I'm so sorry.  
Now answer to the rhyme.  
'Cos there is no end.  
So giving you this song.  
And to you say sorry.  
I'm so sorry.
