Oh i, never thought I'd feel this way  
And as far as I'm concerned  
I'm glad I've got a chance to to say  
That I do believe I love you

And if i, I should ever go away  
Well than close your eyes  
And try to feel the way we do today  
And then if you can't remember

Keep smiling  
Keep shining  
Knowing you can always count on me  
For sure  
That's what friends are for  
(That's what friends are for)  
For the good times  
And the bad times  
I'll be on your side forevermore  
That's what friends are for  
(That's what friends are for)  
Yeah

You know what girl.  
I just want you to know that.  
Well, you came and open up me.  
And now there's so much more I see.  
And so by the way I thank you.

Oh and then, for time we're apart.  
We're closer as we know.  
This words are coming from my heart.  
And then if you can't remember

Keep smiling (smiling)  
Keep shining (shining)  
Knowing you can always count on me  
For sure  
That's what friends are for  
(That's what friends are for)  
Oh in good times (good times)

And in bad times (bad times)  
I'll be on your side forevermore  
That's what friends are for  
(That's what friends are for)

Keep smiling (smiling)  
Keep shining (shining)  
Knowing you can always count on me  
For sure  
That's what friends are for  
(That's what friends are for)  
Oh in good times (good times)  
And in bad times (bad times)  
I'll be on your side forevermore  
That's what friends are for  
(That's what friends are for)
