Endless is the road I walk merciless is time  
Frustrations black and white contentment less defined  
Bravery through confidence humility with pride I can  
face tomorrow if supplied  
This course was set at your decree surely you must  
have a plan for me  
This prayer I give to you tonight Lead and direct me  
with your guiding light  
Instill me with the power to smile even as  
I push myself to walk the extra mile  
Fuel me with desire like phoenix to rise from a fire  
I offer up but what I am another lost and lonely lamb
