The nebula rising up out from the black of deceiving
lies
A new star is born now he brings you the light with his
hands untied
They tried so hard to follow, but no one can.
Inside you're all so hollow, you understand?

Hey! Nothing you can say!
Nothing's gonna change what you've done to me.
Now it's time to shine.
I'm gonna take what's mine while you're burning inside
my light.

I give and you take and I waited for you but I made a
mistake.
It's clear that your fear is so near because I see the
look on your face.
You tried to hold me under. I held my breath.
Alone and now you wonder what I possess.

Hey! Nothing you can say!
Nothing's gonna change what you've done to me.
Now it's time to shine.
You're gonna burn in the light
Hey! Nothing you can say!
Nothing's gonna change what you've done to me.
Now it's time to shine.
I'm gonna take what's mine while you're burning inside
my light.

Hey! Nothing you can say!
Nothing's gonna change what you've done to me.
Now it's time to shine.
I'm gonna take what's mine
Take what's mine
Hey! Nothing you can say!
Nothing's gonna change what you've done to me.
Now it's time to shine.
I'm gonna take what's mine

You're gonna burn in my light

Burn in my light!
