Go ahead my friend it's all a game for you
So go deny it
How you've succumb to glut,
Model of what not to do
Now realize it

Turn out my light if I give too long
Turn out my light if I don't see you care
Turn out my light if I give too long
Turn out my light if I don't see you care, yeah

I'm wearing thin as you pretend,
And I keep holding in
Still you deny it
From my concerns I've learned,
Tables have turned, now you lose
Now realize it

Turn out my light if I give too long
Turn out my light if I don't see you care
Turn out my light if I give too long
Turn out my light if I don't see you care, yeah

Turn around again ...

Turn around,
It's not enough to start again
Not enough to start again

Turn out my light if I give too long
Turn out my light if I don't see you care
Turn out my light if I give too long
Turn out my light if I don't see you care

Turn out my,
Turn out my,
Turn out my,
Turn out my light,
Turn out my light,
Turn out my light,
Turn out my light,

Turn out my light
