A new day has come  
After a lonely night  
Why have you left me alone

I can never be alone  
So let me share your life  
Why have you left me alone  
Yet another time

Time is passing by so fast  
I can only look at you  
I don't want to walk alone  
Through the time to come  
It's such a sad reality  
That I can never be alone  
So hear my voice  
I call your name

I know that I was born  
I was born  
I was born for someone  
So tell me why I was born  
Why I was born  
Born for anyone  
So tell me why

Where do I find myself  
All night and day  
It's dark, it's cold  
So hear my voice  
I feel like a faded leaf on a tree  
I'll fall down  
Please catch me now

I know that I was born...
