"Give A Try"

Your eyes grew deep in hunger
Addiction too strong
You wanna move no longer
Lingerin too long.
Want yourself gear sky high
You just wanna fly
Burining yourself alive.

Escaping reality
Crowd and humanity
Laughing away at life

Feeling lonesome, feeling blue
Thinking you were borne to lose
A mistake to be alive.

It's time you come to sense,
It's time for home again
Break free the chain
Of fear and pain

Babe, you gonna make it
You gotta make it
If you don't wanna see us cryin'
So just give a try, just give try.
