Don't let the wave break  
It's not my destiny  
I made a mistake  
When I forgot to see  
The oceans in spite of me

Don't let the wave break  
It's not my destiny  
I made a mistake  
When I forgot to see

Why do I choose to fear  
When I can feel this love?  
I know we're beautiful  
I've seen our perfect scars

Don't wanna be alone [x3]

Here I am [x4]

Disconnected  
None to hold  
We crawl into the crumbling arms  
Of love letting go

Why do I choose to fear  
When I can feel this love?  
I know we're beautiful  
I've seen our perfect scars

Don't wanna be alone [x3]

Here I am [x2]  
(Don't wanna be alone)  
Here I am [x2]

Don't wanna be alone

(Here I am)  
Why do I choose to fear  
When I can feel this love?  
I know we're beautiful

I've seen our perfect scars  
Don't wanna be alone  
Don't wanna be alone  
Don't wanna be alone

(Here I am)[x4]  
You've gotta save me from this
