Watching you feeling more
Breaking through an open door
Bring your rage
What to gain
All you ever bought was pain

I got life
I got mine
Iâ€™ve got family
I got time
Iâ€™ve got hands to make it right
And Iâ€™ve got love
And I will survive

(chorus)
Well Iâ€™ve got anger
And itâ€™s in my soul
Well Iâ€™ve got rage
But Iâ€™ve got control
Well Iâ€™ve got patience
But youâ€™re on my toes
You light my fire
Now see me grow

Anger strike
Weakened heart
Healing is our only part
Back to one
What youâ€™ve begun
Love might be our strongest gun

Like the rain our hope is falling
But with the sun comes a brand new day
