Well I've got a gut, gut feelin that you  
Have made plans to take me home tonight  
Well come on baby, come on let's ride  
I'm down if you can take me

Well it's a sad way to make it right  
But it's a good way to break the ice  
I've never looked at you the same way ever again, no  
And you're so crazy

You keep me on my feet you're so, Rock n' roll, whoa  
You're the captain when we're lost at sea  
Drop the anchor down, make sure no ones around  
We'll ride this boat baby you and me  
Baby you and me, whoa baby you and me

Well I've got a sick, sick feelin that you  
Have got the urge to shake my bones tonight  
We'll place your bets on me tonight  
And buckle up for safety  
We'll turn it out on the radio  
We'll cause a motion sickness episode that we  
Oh we will get it on, we'll get it on, get it on, oh!

You keep me on my feet you're so, Rock n' roll, whoa  
You're the captain when we're lost at sea  
Drop the anchor down, make sure no ones around  
We'll ride this boat baby you and me

Come on, come on, I feel it coming on  
There's never been a better time to get it on  
And if I die before I wake  
I pray that there are girls like you we'll meet another  
day

Come on, come on, I feel it coming on  
There's never been a better time to get it on  
And if I die before I wake  
I pray that there are girls like you we'll meet another  
day

You keep me on my feet you're so, Rock n' roll, whoa  
You're the captain when we're lost at sea  
Drop the anchor down, make sure no ones around  
We'll ride this boat baby you and me  
You and me, well baby you and me  
You and me, well baby you and me
