How lovely, the paintings I keep in my mind
Focusing on the smiles I've found time to time
Beauty the much overwhelming glow
When it disappeared
I knew it was time to let go

And I feel so low
A part of me
The damage is done
Feel so low
The less of me is bringing me down

Lullaby the carefully crafted words
A memory to distant to value its worth
Beauty the much overwhelming glow
When it disappeared I knew it was time to let go

And I feel so low
A part of me
The damage is done
Feel so low
The less of me is bringing me down

Wooooooo (x4)

Guitar solo

And I feel so low
A part of me
The damage is done
Feel so low
The less of me is bringing me down (x2)

Now I see everything (x6)

Everything (x16)
