Will You find me no matter where I am  
Will You forgive me time and time again  
I feel like a child wondering  
It's hard to believe, to comprehend  
That You would love me in the state I'm in

When I'm falling, when I'm falling down  
When it's all stripped away  
When my world comes crashin', crashin' down  
Will You still be with me

Who am I, You'd even say my name  
Within the same, the same breath as grace  
Cross every bridge I have burned  
Reach for me when it's undeserved  
Wish I could see what You see in me

When I'm falling when I'm falling down  
When it's all stripped away  
When my world comes crashin' crashin' down  
Will You still be with me

And Oh, don't give up on me  
Oh don't give up on me

Be still I'll never leave you  
When you're far, I am near  
My grace will always be greater  
Than the sum of all your fears x2

When I'm falling when I'm falling down  
When it's all stripped away  
When my world comes crashin' crashin' down  
Will You still be with me

And Oh, don't give up on me (don't give up on me)  
Oh, don't give up on me (don't give up on me)

When I'm falling down When I'm falling down  
Don't give up don't give up on me
