I was taught to be practical in everything I do  
Holding on to what is tangible, and then came You  
That's when I found myself so far away, from  
everything I knew  
I took a leap of faith

Even though You're difficult for me to explain  
I know I'll never be the same

You're everything I cannot see  
You're everything I cannot say  
I know it all seems so illogical  
But that's okay  
You're the love You give to me  
You're the love I give away  
You are everything impossible  
And that's okay

That's okay!

All the things that make no sense to me, draw me to  
You  
Like finding freedom by surrendering, can it be true  
With everything I can and cannot know  
This mystery is bringing life to me

And all this love I have for You I can't contain  
I know I'll never be the same

You're everything I cannot see

You're everything I cannot say  
I know it all seems so illogical  
But that's okay  
You're the love You give to me  
You're the love I give away  
You are everything impossible  
And that's okay

That's okay

What's so hard to understand

What I cannot comprehend  
Is that You love me the way I am

You're everything I cannot see  
You're everything I cannot say  
I know it all seems so illogical  
But that's okay  
You're the love You give to me  
You're the love I give away  
You are everything impossible  
And that's okay

You're everything I cannot see  
You're everything I cannot say  
I know it all seems so illogical  
But that's okay  
You're the love You give to me  
You're the love I give away  
You are everything impossible  
And that's okay

And that's okay
