

Mercyme **"Finally Home"**

Visit "[Finally Home](#)" on MotoLyrics.com

I'm gonna wrap my arms around my Daddy's neck
And tell him that I've missed him

And tell him all about the man that I became
And hope that it pleased him

There's so much I want to say
There's so much I want you to know

[chorus]
When I finally make it home when I finally make it home

Then I'll gaze upon the throne of the King

Frozen in my steps

And all the questions that I swore I would ask
Words just won't come yet

So amazed at what I've seen so much more
Than this old mind can hold

[back to chorus]

And the sweetest sound these ears have yet to hear
The voices of the angels

[back to chorus]
