### "Free"

*[Verse 1:]*

I look around inside these four walls  
And I can see this is not my home  
Can you hear it now?  
From inside these stone walls  
My heart cries out  
"I'm not where I belong"

*[Pre-Chorus:]*

No matter what they do  
My heart belongs to You

*[Chorus:]*

I am free  
The hands that hold the world have set me free  
He has broken every chain  
So I lift my hands up to the One who saves

*[Verse 2:]*

Take me captive  
You can lock me away  
But my debt is already paid  
Take me prisoner  
But I will no fear  
'Cause my Deliverer is already here

*[Interlude:]*

Ohhhh...

*[Bridge:]*

This world can have its way  
Nothing can stop Your glory  
What may become of me  
I'll overcome because I'm free
