And I know that I can find You here  
'Cause You promised me You'll always be there  
Times like these, it's hard to see  
But somehow I have a peace, You're near  
And I pray that You will use my life  
In whatever way Your name is glorified  
Even if surrendering  
Means leaving everything behind

My life has never been this clear  
Now I know the reason why I'm here  
You never know why You're alive

Until you know what you would die for  
I would die for You

And I know I don't have much to give  
But I promise You I will give You all there is  
Can I possibly do less  
When through Your own death I live?

No greater love is found  
Than of those who lay their own lives down  
As sure as I live and breathe  
Now I know what it means to be free
