"In Your Arms"

I'm turning the world off
Embracing the silence
Walking away from all the voices
That are Screaming in my ear

I've been too caught up
I've been so stressed out
All of the noise replaced the whisper
That used to be so clear

So I close every door
Put my face back on the floor

And I'm in Your arms
Where I belong
There's no other place for me
Than right where You are
Some things just don't change
When I call Your name
You never hesitate to wrap me in endless grace
When I'm in Your arms

I'm letting my fears go
Giving You control
For You are the one who holds me closer
In my soul's darkest night

Everything I see
Is so temporary
So help me to run the race before me
With eternity in sight

Now I close every door
Put my face back on the floor

And I'm in Your arms
Where I belong
There's no other place for me
Than right where You are
Some things just don't change
When I call Your name

You never hesitate to wrap me in endless grace
When I'm in Your arms

To sit at Your feet
At Your table of mercy
To gaze on Your beauty, my Lord
To drink from Your well
And be changed by Your glory
How could I ask for more
Jesus, how could I ask for more

And I'm in Your arms
Where I belong
There's no other place for me
Than right where You are
Some things just don't change
When I call Your name
You never hesitate to wrap me in endless grace
When I'm in Your arms
