Let the poor man say I am rich again,
Let the lost man said I am found again,
Woah, Let the river flow,
Let the blind man say I can see again,
Let the dead man say I am born again,
Woah, Let the river flow,
Yeah yeah yeah Let the river flow.

Let the river flow,
Let the river flow,
Holy spirit come,
Moving power,
Let the river flow.

Let the poor man say I am rich again,
Let the lost man said I am found again,
Woah, Let the river flow,
Let the blind man say I can see again,
Let the dead man say I am born again,
Woah, Let the river flow,
Yeah yeah yeah Let the river flow.

Let the river flow,
Let the river flow,
Holy spirit come,
Moving power,
Let the river flow. (till end)
