What love is this
That love should die
Now I am His
And He is mine
What a love came down
To rescue me
Where I was bound
He set me free

I don't need a new truth
All I need is more of You

To the cross I will run
For all my Savior has done
I will stay here and never move on
No other moment in time
So glorious, so divine
I will stay here and never move on

Held captive here
In awe of grace
Joy found in tears
Upon Your face
And all my shame
Just disappears
My guilt erased
When I am here

I don't need a new truth
All I need is more of You

To the cross I will run
For all my Savior has done
I will stay here and never move on
No other moment in time
So glorious, so divine
I will stay here and never move on

Nothing in my hands I bring
Simply to Your cross I cling, I cling

To the cross I will run
For all my Savior has done
I will stay here and never move on
No other moment in time
So glorious, so divine
I will stay here and never move on
