So tell me what's a man like You doing in a place like this?
How can You see any kind of hope in all of this mess?
We've tuned You out in every way
Found the Truth is whatever that we say
Your sovereign plan we've dismissed
Sealed it all with a kiss
Let me ask You again,
"What's a man like You doing in
A place like this?"

Chorus:
Never the less
You've heard our cries
You've sacrificed
Your name has been glorified
Our sins confessed
Our faith addressed
You've saved us
Never the less

Oh the mess we've made
Oh the price you've paid
Why do You love us? Why show Your face?
When we're unfaithful You still have faith
What is it that you see in us
That keeps You from saying, "That's enough"?
Oh Your amazing grace

Chorus

If my people called by My name
If they will humble themselves and pray
And seek My face
And turn from their sins
Oh I will hear and forgive them
Never the less

How precious is the flow
That makes me white as snow
No other fount I know

Nothing but the blood of Jesus
Nothing but the blood
Never the less
