I'm not trying to hide anything
I wear it on my sleeve
I wear it on my sleeve
I'm not trying to be something I'm not
This is all I've got
This is all I've got
I'm not trying to re-invent the wheel
Just trying to be real
Trying to be real
I'm not trying to say follow me
I'm not the one who leads
I'm not the one who leads

Let me introduce myself to you
This is who I am
No more, no less
I am just a man who understands

Because of You I'm blessed
No more, no less

I'm not trying to prove anything
It's all about the change
It's all about the change

I hope you stare just long enough to see
The heart that's beating here inside of me
Beyond all the things you may think you know
I'm just a kid trying to make it home, that's it
No more, no less
Lord, I want to go home
Nothing more, nothing less
