Psalm 139 (You are there)

You have searched me and you know me  
You're familiar with all my ways

You have placed your hand upon me  
With such a knowledge I can't attain

Where can I go from your Spirit?  
Where can I flee from your presence?

If I make my bed in the depths  
If I go up to the heavens

You are there

If I rise on the wings of the dawn  
If I settle on the far side of the sea

Even there your hand will hold me fast  
Even there your hand will guide me

You are there  
You are there

You have searched me and you know me  
You're familiar with all my ways

You have placed your hand upon me  
With such a knowledge I can't attain

Where can I go from your Spirit?  
Where can I flee from your presence?

If I make my bed in the depths  
If I go up to the heavens

You are there

If I rise on the wings of the dawn  
If I settle on the far side of the sea

Even there your hand will hold me fast  
Even there your hand will guide me

You are there

I will sing  
Sing a new song  
Because you love me

I will sing  
Sing a new song  
Because you care

I will sing  
Sing a new song  
Because you're there

I will sing  
Sing a new song  
Because you love me

I will sing  
Sing a new song  
Because you care

I will sing  
Sing a new song  
Because you're there
