He wakes up everyday the same  
Believing he's gonna make a change  
Never wonders if but when

I guarantee he can find a way  
To reach out and make somebody's day  
Cuz' someone took the time with him

He believes it's the little things  
That make a great big change

Hey! Mr. Lovewell do in a day what you do everyday  
No matter how small  
Believing that it's all the same

Come on Mr. Lovewell  
We could use a few more just like you  
Who care enough to give this life away  
Cuz' you've been changed  
The generous Mr. Lovewell loves today

Maybe a simple how do you do  
The kinda thing that could pull them through  
A minute or two could mean so much

Maybe it's the one to cross the street  
Who's asking if their's anything they need  
Cuz they will know it's by a love  
It may not mean that much to him  
But it;s the world to them

Hey! Mr. Lovewell do in a day what you do everyday  
No matter how small  
Believing that it's all the same

Come on Mr. Lovewell  
We could use a few more just like you  
Who care enough to give this life away  
Cuz' you've been changed  
The generous Mr. Lovewell loves today

We all need more Mr. Lovewell

We all need more Mr.Lovewell  
We all need more Mr.Lovewell

Hey! Mr.Lovewell do in a day what you do everyday  
No matter how small  
Believing that it's all the same

Come on Mr.Lovewell  
We could use a few more just like you  
Who care enough to give this life away  
Cuz' you've been changed
