It's not what You do for me
It's not what You give to me
It's not about anything
But You, my King

'Cuz You are more beautiful
Than anything in this world
Even more wonderful
Than any gift You bring

My treasure is You
There's no other
My treasure is You
More than gold
Heaven and Earth
They have lost their lustre
You alone are the treasure that I hold

Nothing can take away
Nothing can separate
Nothing can come between
Your heart and mine

'Cuz You are my everything
The hope of eternity
You will forever be
The love of my life

My treasure is You
There's no other
My treasure is You
More than gold
Heaven and Earth
They have lost their lustre
You alone are the treasure that I hold

Your love is hidden in my heart
And my heart is hidden in Your love
Your love is hidden in my heart
And my heart is hidden in Your love

My treasure is You
There's no other
My treasure is You
More than gold
Heaven and Earth
They have lost their lustre
You alone are the treasure that I hold

My treasure is You
There's no other
My treasure is You
More than gold
Heaven and Earth
They have lost their lustre
You alone are the treasure that I hold
