"Won't You Be My Love"

[Verse 1:]

When you fall asleep tonight
In your warm and cozy room
Know that I'm awake
And I've got no shelter and no food

[Pre-Chorus 1:]

I am not alone
My friends are broke and lost
Looking for someone to lead them to my cross
I need your help, I need your help

[Chorus 1:]

Won't you be My voice calling
Won't you be My hands healing
Won't you be My feet walking into a broken world
Won't you be My chain-breaker
Won't you be My peacemaker
Won't you be My hope and joy
Won't you be My Love

[Verse 2:]

The other side of the world
She is just a few days old
A helpless little girl
With no family of her own

[Pre-Chorus 2:]

She is not to blame for the journey she is on
Her life is no mistake
Won't you lead her to My cross?

[Chorus 1:]

Won't you be My voice calling
Won't you be My hands healing
Won't you be My feet walking into a broken world
Won't you be My chain-breaker
Won't you be My peacemaker
Won't you be My hope and joy
Won't you be My Love

[Bridge:]

To those I call My own
To those I've set aside
As spotless without blame
The chosen ones My bride

[Chorus 2:]

We will be Your voice calling
We will be Your hands healing
We will be Your feet walking into a broken world
We will be Your chain-breaker
We will be Your peacemaker
We will be Your hope and joy
We will be Your love
