I search for love, when the night came,
And it closed in, I was alone,
But you found me, where I was hiding,
And now I'll never ever be the same,
It was the sweetest voice,
That called my name saying

You're not alone, For I am here,
Let me wipe away your every fear,
My love I've never left your side,
I have seen you through the darkest night,
And I'm the one who's loved you all your life,
All of your life

You cry your self to sleep, cause the hurt is real,
And the pain cuts deep, all hope seems lost,
With heartache your closest friend,
And everyone else long gone,
You've had to face the music on your own,
But there is a sweeter song that calls you home saying

You're not alone, For I am here,
Let me wipe away your every tear,
My love I've never left your side,
I have seen you through the darkest night,
And I'm the one who's loved you all your life,
All your life

Faithful and true, Forever,
Oh my love will carry you

You're not alone, For I, I am here,
Let me wipe away your every fear
Oh yeah, My love I've never left your side,
I have seen you through the darkest night,
Your darkest night,
And I'm the one who's loved you all your life,
All of your life
