I see my future in your eyes
Caught like a grouper by surprise
Hold me straight up to light
Girl you can see through me

IÂ'd trade it all, trade it all
For chocolate and dreams
IÂ'd trade it all, I'd trade it all
For you and me

YouÂ're a sweets-maker
Heart taker
Making my dreams coming true

It only takes a moment
To touch a life
And build an eternity
Full of chocolate and dreams mmya
Chocolates and dreams

IÂ'll take the sweet with the sour
Girl my faint heart you empower
IÂ'd trade it all, I'd trade it all
For chocolate and dreams

YouÂ're a sweets-maker
Heart taker
Making my dreams coming true

It only takes a moment

To touch a life
And build an eternity
Full of chocolate and dreams mmya
Chocolates and dreams

You soothe and excite me
ThatÂ's how I know IÂ'll be
True, True to you girl

Sweet teachable touchable moments
Reach the core of my soul

Iâ'm asking myself what I really want in life

It had to be you
It had to be chocolates and dreams

Iâ'd trade it all, trade it all
For chocolate and dreams
Iâ'd trade it all, I'd trade it all
For you and me

Youâ're a sweets-maker
Heart taker
Making my dreams coming true

It only takes a moment
To touch a life
And build an eternity
Full of chocolate and dreams
Chocolates and dreams
