Prince of darkness was born  
To declare on everybody  
A black sign of Beast

When furious Beast will wait  
Till His hour comes  
Brother his own brother will kill

Alive Antichrist' alive

That's enchanted hour  
The world was changed into waste'  
Into waste

Who will stop His way  
That one will choke with one's blood  
And He'll rule over the world

And the world will stumble

And source of war  
Will carry off the rest lives

Alive Antichrist' Alive

That's enchanted hour  
The world was changed into waste'  
Into waste  
Satan, oro te, reo portas patere  
In nomine patris, et filis, et spiritus imundus. Amen

Alive Antichrist  
Alive Antichrist

That's enchanted hour  
The world was changed into waste'  
Into waste
