I'll Prob'ly Never See You Eye To Eye A-gain
This Letter's Meant To Be My Last Fare-well
But You Need To Under-stand I'm Nearly Crazy
You Need To Know My Life Has Gone To Hell
Write Me Back And Tell Me Why It Ended
Send A Letter That I Can Show My Heart
I'll Be Somewhere Between I Love You And What You're
Feeling Now
Lookin' For A Place To Fall A-part
Looking For A Place To Fall A-part
Trying To Find A Place That I Can Leave My Heart
I Need To Be Somewhere Hidin' When I Feel The
Teardrops Start
Lookin' For A Place To Fall A-part
I Can't Seem To Justify Your Leavin' Me
I'm Be-wilderred As To How It All Came Down
I Thought Everything Was Fine Until Your Phone Call
The Call That Turned My World A-round
Send Me Word And Tell Me Why It Ended
I Need Some Final Proof To Show My Heart
I'll Be Somewhere Between I Love You And What You're
Feelin' Now
Lookin' For A Place To Fall A-part
