I put food on the table
Six o'clock but it's too late
And I ain't got no sympathy for the weak at heart and
If it's not what you wanted
You better get it for yourself
Cuz I ain't got no time for you to be picky and choosey

I'll give you everything I can, I'll give you everything

Ain't got no money for you, ain't got no money for
myself
If that's what you're looking for you might as well go
home with someone else
Ain't got no time for talking, but we got no time to make
him scream
If that's what you're looking for you might as well come
home with me

You are young and I'm able
Your body's ticking like a bomb
Yeah you got it now but gravity might not be as
forgiving
Ask me do you want me
This ain't about what you think you need
What I want to know is are you coming home with me
when the bars close

I'll give you everything I can, I'll give you everything

Ain't got no money for you, ain't got no money for
myself
If that's what you're looking for you might as well go
home with someone else
Ain't got no time for talking, but we got no time to make
him scream
If that's what you're looking for you might as well come
home with me
