He said son you better watch out for the treachery
Of Jealousy
You can't trust anyone
The boy said father then if this is true
Should I be sitting here
Still trusting you?

Well I said
Father
Will you show me who I'm supposed to be?
When I get old and I don't care
Will you still care at all for me?

Father
Father
Will you still care at all for me?
Father
Father
Will you still care at all for me?

He said son your gonna find out one important thing
And take it from me
I made the same mistakes
I told myself I could have one last drink
Now everything is gone all my dreams are in the sink

Well I said
Father
Will you show me who I'm supposed to be?
When I get old and I don't care
Will you still care at all for me?

Father
Father
Will you still care at all for me?
Father
Father
Will you still care at all for me?

'Cause I can't help myself
Or anybody else
Well you can show me how

To live my life right now
I know I'm wrong
That's why I wrote these sad, sad songs
But it feels so right

And I said
Father
Will you show me who I'm supposed to be?
When I get old and I don't care
Will you still care at all for me?

Father
Father
Will you still care at all for me?
Father
Father
Will you still care at all
For me?
