War, who am I?
I am alive for the very first time.
War, who am I?who am i?
I am alive for for for the very first time.

Scratch your back the bleeding's almost done.
This disease will take us one by one.
God has plans for all of us and you.
So why can't I believe that this is true.

War, who am I?
I am alive for the very first time.
War, who am I?who am i?
I am alive for for for the very first time.

Don't be nervous I'm not angry yet.
But slip your tongue and fire won't forget.
Bite your fingernails the damage's done.
Fists will fly like birds beneath the sun.

War, who am I?
I am alive for the very first time.
War, who am I?who am i?
I am alive for for for the very first time.

scratch your back the bleedings almost done.
this disease will take us one by one
god has plans for all of us and you

War, who am I?
I am alive for the very first time.
War, who am I?who am i?
I am alive for for for the very first time.
