"Half A Man"

If I only had one arm to hold you well better yet if I had
none at all

Then I wouldn't have two arms that ache for you

And I'd have one less mem'ry to recall

If I only had one ear to listen to the lies that you told to
me

Then I would more closely resemble the half a man that
you've made of me

[guitar - sax]

And if I only had one leg to stand on

Then how much how much truer picture you'd see

And then I would more closely resamble the half of
man that you've made of me

Yeah then I would more closely resamble the half of
man that you've made of me
