"Love And Honor"

Love and honor a promise to obey sacred vows that we
both made yesterday

But when someone tempted you you ease to cross the
line

And I'll bet love and honor never cross your mind

You're the woman that once gave me her hand

And I'm the fool who's tryin' hard to understand

Why when someone tempted you you were so inclined

And I'll bet love and honor never cross your mind

Love and honor never cross your mind and love and
honor is something hard to find

When someone tempted you you ease to cross the line

And I'll bet love and honor never cross your mind

[guitar]

Love and honor never cross your mind...
