The first time we met is a favorite mem'ry of mine.
They say time changes all it pertains to
But your memory is stronger than time.
I guess everything does change except what you
choose to recall.
There's a million good daydreams to dream on
But, baby, you are My Favorite Mem'ry of all.
Like the night we made love in the hallway,
Slept all night long on the floor.
Like the winter we spent at Lake Shasta alone, and
closer than ever before.
And I remember that London vacation.
It was you who made the whole thing a ball.
There's a million good-times I could dwell on,
But, baby, you are My Favorite Mem'ry of all.
